Head Teacher: Mrs Wendy D'Arcy

12th October 2017

Dear parents/carers

Did you know that St Joseph's can receive capital monies for building projects from outside sources such as the Government and Diocese? We have recently used such money to upgrade the toilets outside the year 6 classroom and to install a shower room.

In order to receive this money we are required to "match fund" from the governors School Building Fund. For every £1 that we contribute to a building project, we will receive a further £9 from the Government or Diocese.

Our school is currently flourishing, seeing a recent increase in pupil numbers. One of the projects being discussed for the future is improved fencing around the school perimeter, in order to safeguard our pupils during the school day and when attending OOSC or after school activities.

Please help us to raise money for this and other future works by donating to the School Building Fund.

There are 2 ways you can donate:

1. A one off payment using the enclosed envelope (or one marked "School Building Fund").
2. Online banking by Direct Debit or a one off payment using the details below.

Account Name: St Joseph's School Governors, HSBC 23 High Street, Malmesbury, Wilts
Account no: 81206540
Sort Code: 40-31-07

If you do donate and you are a tax payer, please do fill in the attached Gift Aid form as we get even more money back from the Government.

We appreciate that times are hard and any donation, large or small, regular or one off, will be gratefully received and put to good use for the benefit of all our children at St Joseph's.

Yours faithfully

The Board of Governors
