12th May 2020

Dear Parents and Carers

As you are aware, the government have set out the guidance and expectations for a phased return to school for specific year groups including Reception, Year 1 and Year 6.

As a school, we are now starting to plan what this may look like with the safety and wellbeing of all children and staff at the forefront. In order to be accurate in our planning, I need to know whether or not you intend to send your children (Reception, Year 1, Year 6) back to school on 1st June 2020.

Therefore, please can you email assistantadmin@st-josephs.gloucs.sch.uk with your response by Thursday 14th May by 3pm. Please state the name of your child/ren, their year group and whether or not they will be returning to school.

This is an urgent request and your cooperation with this is essential to our planning for the phased return to school.

Yours sincerely

Wendy D'Arcy
Headteacher
