Dear parents/carers

We are very pleased to announce that our annual health week will go ahead this year within the class bubbles. Health week will take place between **Monday 28<sup>th</sup> June and Friday 2<sup>nd</sup> July 2021**. The children have a very exciting week planned for them and I'm sure they will love coming home and telling you all about it. For the whole week, please send your child to school in their school PE kit – house polo top, shorts or tracksuit, grey hoodie. We will be spending a lot of time outside so please ensure your child comes to school with a hat, water bottle and sun cream every day.

Please see below the timetable for the week. We have many workshops planned with coaches from 'The Sports Project' coming in on Monday, circuits with Jack Rutter, football with Mr Jordan and Ballet/Dance with Mrs Lai. We would like to thank Mr Jordan and Mrs Lai who are volunteering their time to come in and provide fantastic experiences to our children.

Unfortunately, we will not be able to have parents attend or volunteer to help for sports day this year due to the current pandemic. I'm sure that you will be as disappointed as we are about this but can guarantee that your children will still thoroughly enjoy their sports day experience.

Wednesday is the whole school picnic which this year will be held on the school field. For the picnic, Reception and Key Stage 1 are going to spend the morning making a snack or their lunch to take and eat at the whole school picnic. Your child's class teacher will send a letter explaining what their class is going to do so please keep a look out for this letter.

Thank you for understanding about the changes that we have had to put in place for this year. Hopefully, next year you will all be able to cheer your child/children on at our next sports day.
