Acting Headteacher: Mrs Clare Howells

15th March 2021

Dear Parents/Carers

I am writing to you to apologise for the disruption that was caused this morning at school drop off. I would like to assure you that the actions taken were to ensure that all children remain safe while we established time scales and advice from Public Health England.

Thank you all for being so understanding and supportive. We will look forward to seeing Year 3 in the morning.

Yours sincerely

Mrs C Howells
Acting Headteacher
