**Tuesday 12<sup>th</sup> May 2020**

Dear Parents and Carers

Further to my letter yesterday about the Prime Minister's announcement that schools may open to more children on 1<sup>st</sup> June, further guidance was released last night and there is more to follow in the coming days. Together with the Trust central team, we will be looking carefully at all of the guidance provided and will be putting together a plan of what this will look like for our school.

I fully appreciate you may have many questions but at this stage we are not in a position to answer them fully and properly. Once we have completed our planning and risk assessments we will communicate with you about what we are able to put in place and what this will look like for your child/ren. Our priority is and will continue to be to make sure we keep your children as safe as we possibly can in the circumstances. The government provided some guidance for parents and carers which you may find helpful – it can be found here <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>

We kindly ask you to be patient as we work to fulfil the government's directive to gradually open school to more pupils.

Yours sincerely

Wendy D'Arcy  
Headteacher
