

Wild Roots Forest School

After School Club

'Inspiring awe and wonder; connecting with nature'

14th September 2022

Dear Parent / Carer,

We are pleased to announce that we will once again be offering a Forest School club at St Joseph's Catholic Primary School. Sessions will take place on the school field every Wednesday from 3:15pm to 5pm. This autumn block of five sessions will be for children in Key Stage 2, from Wednesday 21st September to Wednesday 19th October.

Forest School is a child-led approach that aims to increase children's confidence and nurture their overall development. It provides them with the opportunity to experience appropriate risk and challenge in a natural environment. The children will be encouraged to freely choose how they spend their time and may take part in activities such as environmental art, den building, green woodworking, fire lighting, campfire cooking and climbing trees. A snack and drink will be provided.

We charge £8 a session and allocate spaces on a first come, first served basis. A commitment to the five week block is required. This commitment helps to ensure the progression of skills and allows for new friendships to form. It also enables us to resource and plan appropriately. We like to keep our groups small and therefore spaces are limited to 12.

To secure a space, please return the attached slip and Medical Consent and Registration form to the office by Friday 16th September. We will then send confirmation and a payment of £40 can be made.

Kind regards,

Katharine Piper
Level 3 Forest School Leader
Wild Roots Forest School.

Wild Roots Forest School After School Club

My child: _____

Year group: _____

would like to commit to a 5 week block of Forest School at St Joseph's Catholic Primary School.

I have completed the attached Medical Consent and Registration form. I understand what Forest School is and the range of activities on offer.
