

## Year 6 Pound Coin Challenge!

Dear Parents/Carers

This Easter we would like to invite the year 6 children to take on Pound Coin Challenge! The children will each be given a pound coin on the last day of term, to turn into more..... here's how...

We would like the children to buy something with their £1 that will help them to earn more...

Some money making ideas:

Buy a sponge and wash cars, buy a cloth and clean windows, buy some poo bags and walk neighbours/friends dogs.....

This is a fun and rewarding challenge for the year 6 children to raise some money to go towards their leavers residential in July. **PLEASE RETURN THE MONIES RAISED IN A NAMED ENVELOPE TO SCHOOL AFTER EASTER.**

Have a very Happy Easter and thank you as always for your support.

Best wishes

PTA
