Dear Parent/Carer

Key Worker Children

As the key worker group of children grows we have had to move the group to the hall. As such, **from Monday, we are changing the entrance your child will use when coming into school.**

Drop off will be at 8.30am at the **staff car park gate**. Staff will collect the children from there. Parents are not to enter the school grounds. The children will now enter school through the side gate and into the hall via the fire exit.

School collection will remain the same – the gate on the public footpath by the log trail.

Many thanks for your support.

Best wishes

Clare Howells
