

To be healthy we will...

- Complete a mile around the field.
- Develop a variety of skills in netball.
- Understand how to look after our bodies.

As leaders of faith we will...

- Explore different parts of the bible.
- Compare and make links between different version of the creation story.
- Identify and reflect on the Beatitudes.

As Technologists we will...

- Share our experiences and new learning through blogging
- Develop computing skills using different softwares.
- Explore how to stay safe online.

As Writers we will...

- Use our knowledge of different animals to provide an informative text for the reader.
- A variety of fictional texts, including texts based on our literary heritage.
- Describe settings, characters and atmosphere using a wide range of devices to build cohesion within and across the paragraphs.

As Mathematicians we will...

- Represent and recognise 5- and 6-digit numbers and understand the value of each digit.
- Compare and order 5- and 6-digit numbers
- Round 5-digit numbers to the nearest 10,000 and 6-digit numbers to nearest 100,000
- Read roman numerals to 1000(M)

To be resilient, empathetic, ambitious and confident we will...

- Celebrate what makes us special and share how we make a difference to other people.
- Take on a project to make a difference to our Reception children.

As Scientists and Geographers, we will...

- Discover an array of new facts all about mammals, insects, amphibians and birds- uncovering their lifecycles, differences, and similarities.
- Delve into atlases, developing our knowledge of grid references and more.
- Uncover how locations around the world are changing.

As Musicians we will...

- Listen and appraise
- Play warm up games including vocal warm-ups.
- Perform and share our focus song.
