Acting Head Teacher: Mrs Clare Howells

Dear Parents/Carers,

What a great first two days we have had back at school. Everywhere I go I have seen smiling faces of children and staff, there is a buzz of excitement around the school – we are so happy to be back! The children and staff alike are working hard to put into place the social distancing expectations.

Drop off and collection

Thank you to all of the parents who have been on time and in the right place! This is a challenge for us all. We are conscious about the amount of time that we have allowed to get each group of children into school and the inconvenience this may cause to some parents. Our Aim is to reduce the time and get the children into school more quickly and as soon as possible. In order to do this, we need all parents to support us in getting their children to the right place at the right time, to socially distance while waiting and to leave as soon as possible.

At no time should parents walk through the staff carpark. This counts as the school site and three groups of children are being dropped off and collected from there.

If you are late

In the case of an unfortunate situation that causes your child to be late to school. **Stay in your car and phone the school office.** The office staff will then arrange for your child to be collected from their entry point by a member of staff. Do not come onto the school grounds or visit the office.

We understand that this is new to us all, it is our hope that by the end of next week I will be writing to you to reduce the time between dropping off and collecting each bubble.

Yours sincerely

Mrs C Howells
Acting Headteacher
