

### During RHE sessions, we will...

- Use language to describe our feelings
- Have a basic understanding that feelings and actions are two different things.
- Know that choices have consequences.

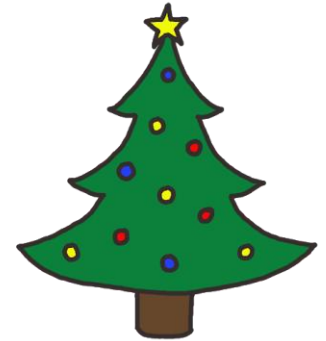

### To be healthy we will...

- Dance to a beat!
- Explore music using actions

### As leaders of faith we will...

- Get ready for Christmas during Advent.
- The Rosary
- Exploring the liturgical calendar and how it helps us follow the example of Jesus.
- Think about how saints help us to become more like Jesus.

### As Scientists and Geographers we will...

- Observe seasonal changes from Autumn to Winter
- Outdoor learning, including gardening
- Name capital cities in the UK
- Find and locate the world's continents

### As musicians we will...

- Sing! (For our Nativity)

## 'We are Storytellers'

### As Mathematicians we will...

- Subtract numbers using bridging
- Subtract by rounding to 10 then compensating
- Derive addition and subtraction facts using inverse operations
- Identify and describe the properties of 3-D shapes
- Explore the connection between multiplication and repeated addition

### As Writers we will...

- Identifying the key features of adventure stories, non-chronological reports and recounts
- Use story maps to retell
- Write our own adventure stories, non-chronological reports and recounts
- Explore the Christmas Story!
