Acting Head Teacher: Mrs Clare Howells

Wednesday 11th November 2020

Dear Parents/Carers

Unfortunately, today a member of staff has received a positive COVID test result. The member of staff has not been on the school site since Monday 2nd November. As such they have not been in the classroom or a year group bubble during the incubation period. Having contacted public Health England, I would like to reassure you that this has no impact on our school.

I would like to remind you that it is vitally important that we all follow the government guidance.

- ✓ Ensure that you drop off and collect your child on time
- ✓ Wear a face mask when approaching the school, as you come into contact with other parents
- ✓ Please do not socialise with other parents
- ✓ Social distance from other adults (keep 2 metres apart)
- ✓ Don't queue- wait in your car
- ✓ Drop your child/children and leave as quickly as you can (please do not speak to the teachers on the gate)
- ✓ Do not enter the school grounds

On the rare occasion that you are late.

- ✓ Phone the school office and they will arrange for your child to be collected from their entrance. 01453 860311. **Please do not bring them onto the school site.**

Yours sincerely

Mrs C Howells
Acting Headteacher
