**Acting Headteacher: Mrs Clare Howells**

Sunday 18<sup>th</sup> July 2021

Dear parent or carer,

As you are aware, we have been informed that we have had a positive COVID test within your child's class. In line with our Remote Learning policy, the children are still entitled to work set, in line with the National Curriculum, during this isolation period. However, we recognise that this week would not have been a 'normal' week in school as the children begin to wind down for the summer holidays. I have liaised with the other staff in Key Stage 1 and have organised a timetable for you to use for the remainder of this term.

	9 am	9.10am	10.45am	11.00am	12.15	12.30 - 1.30	1.30pm	Afternoon session
<b>M</b>	Register	Maths	Break	Literacy	Daily mile	Lunch	Register	Outdoor learning activity
<b>T</b>	Register	Maths	Break	Literacy	Daily mile	Lunch	Register	Year 6 production
<b>W</b>	Register	Finish Maths/Literacy	Break	Year 6 leavers assembly	Daily mile	Lunch	Register	Summer holiday

We also recognise as a school that over the next couple of days, you may become unwell or arrangements with childcare will mean that Remote Learning may not be possible for some of our families. Please be reassured that we understand this, especially at such short notice, and would advise that your child engage with as much as possible for your family. This week, we ask that your child signs in for the register, in the morning and the afternoon. Your child's teacher will explain the Maths activity and Literacy activity at the beginning of the session, and then your child will be able to leave TEAMS and work throughout this independently.

If you have any questions or concerns, then please do not hesitate in contacting me. All of our children and families are in our thoughts at this time.

Yours sincerely,

Natalie Jones

Acting Head Teacher
