

St Joseph's Out of School Club

St Joseph's Catholic Primary School, Front Street, Nympsfield, Stonehouse GL10 3TY

March 2018

Dear Parents/careers,

With the recent welcome news that St Joseph's will be moving to one class per year group, the OOSC team have been asked by some parents what this means for the future of the OOSC, with parents anticipating that the seventh classroom will be the room in which OOSC is currently located.

The OOSC is a key part of St Joseph's Primary school, with over 100 children on the roll being registered for the Club and many families only being able to take advantage of sending their children to St Joseph's due to this facility.

We would therefore like to assure parents that the OOSC Committee is working closely with Mrs D'Arcy and the Governors to find a suitable alternative to the current location of Club. It is recognised that the Club needs to be on-site to enable children attending after school clubs to attend. As soon as full details are confirmed, these will be shared with you.

In the meantime, please rest assured that the OOSC will continue to provide both morning and afternoon wrap around care for those children attending St Joseph's Primary School from September 2018.

If you have any questions, please do not hesitate to speak to one of the OOSC committee members.

Best wishes,

The OOSC Committee.
