

Dear Parents/Carers

Order your firewood logs through Logpile.com and St Joseph's gets 10% of the value of each sale

We're really excited to bring you a new fund-raising initiative for St Joseph's, courtesy of online log retailer, Logpile.

This opportunity has come to us via one of our parents, Helen Harper and her friend Will Jones who has set up a new log delivery service called Logpile.

Will is already known to us at St Joseph's from his donation of a large number of books from his previous business, Wordery. He has now approached us, via Helen, as he would like to support local schools.

Here's how you can help:

- Browse the logs and other firewood products at logpile.com
- Add the items you would like to your basket
- Enter coupon code **STJOSEPH** when in checkout and place your order
- Receive and enjoy your fire using the wonderful kiln dried hardwood logs!

For every order placed by anyone connected to St Joseph's, Logpile will give the PTA 10% of the order value.

You can discover more about Log Pile here: <https://logpile.com/> and indeed place an order! Logpile is committed to supplying 100% sustainable hardwood logs and your order is delivered, free, the next working day to all locations in the UK, so any of your friends and family can help!

Committing to donate to us 10% of the value of every order you place, is a fantastic and very generous fund-raiser for the school, helping finance more great opportunities for all our children whilst at St Joseph's.

Kind regards
PTA Committee
