Dear Parents/Carers

Gloucestershire Wildlife Trust Primary Schools Wildlife Quiz 2022

Running for over 40 years, Gloucestershire Wildlife Quiz is well known by primary schools throughout the county as an exciting way of engaging pupils in wildlife. Schools enthusiastically compete against each other in various heats for the title of the 'Annual Wildlife Quiz School Champion'.

There will be a number of rounds which we will attend at different schools. Many of the class wanted to take part but names were picked out of a hat and our team this year is Hamish, Daisy, Sam and Harvey R, and our stand by person is Jack (he will attend if one of the others is ill/unable to).

The details of the first round are as follows:

Date: Tuesday 22nd March 2022
Venue: North Nibley Primary School
Timings: Mrs Daly will be taking the children for a 1.30pm start, they will be back at school at 3.00pm
Transport: Mrs Daly will be driving them

The children must wear school uniform on the day. They will also need a waterproof coat.

We're so excited to be part of this opportunity and we can't wait to see how well our nature loving team do!
