As Scientists and Geographers we will...

- Explore a range of habitats and talk about adaptation
- Learn about micro-habitats
- Explore food chains
- Name the world's continents and oceans
- Use aerial photos
- Use and draw simple maps with a key

To be health

To be healthy we will...

- Practise throwing and catching
- Work as a team

As leaders of faith we will

- Recognise that the bible has two parts
- Retell the story of Noah
- Explore the story of Jonah and the Whale
- Looking at why we proclaim Gods Word at Mass.

As Technologists we will...

- Discuss and evaluate items with wheels
- Design our own functional trolley for a circus animal
- Select appropriate tools and resources
- Evaluate our product

As Musicians we will...

- Respond to music
- Explore beat

As Writers we will...

- Identifying the key features of nonchronological reports
- Use story maps to retell a nonchronological report
- Write our own non-chronological reports, using our scientific knowledge.
- Explore Traditional Tales

As Mathematicians we will...

Partition 2 digit numbers in different ways

PLANET EARTH'

- Order and compare numbers
- Identify and explore pentagons, hexagons and octagons
- Identify symmetry using vertical lines
- Use addition facts of 10 to derive facts of 100
- Add two 2 digit numbers by partition and recombining

To be resilient, empathetic, ambitious and confident we will...

- Talk about our hopes and aspirations for Year 2
- Talk about how to be a 'good friend'
