

# St George's Class

Dear Parents/Carers,

Welcome back to Spring Term 2!

Our topic this term is "Tale as old as time". This is a new topic name to put focus on our History enquiry unit: How has life in Britain changed over time? The children will be researching this in our history lessons and will be exploring some of the hidden tales throughout the ages!

Our Science topic will span two terms as we look at States of Matter. We will be exploring particle diagrams, and how we can change the states of matter. This is a very practical unit and I know the children will be enjoy all the investigations ahead of them!

Just a few reminders for the term ahead:

- Children should be reading at least 5 times a week
- Times tables are SO important so please practice as much as possible.
- PE is on a Friday and children should come into school in their PE kits
- The children should bring in a piece of veg/fruit for their snack for break time and water in their bottles
- Homework should be submitted on a Wednesday via Teams
- Spellings and homework will be set every Friday on Teams
- Spellings should be practised at home

Thank you for your support with the children's learning. As ever, if you have any questions or concerns, please do not hesitate to bring this to my attention.

We look forward to the exciting term ahead!

Mrs Carr
