### **Message from the Governors** **Foundation Governor Vacancies**

We are seeking to recruit people to serve as foundation governors at our school. If you are, or you know someone who is, a practising Catholic, believe in Catholic education, have enthusiasm and commitment, then you can make a valuable contribution to the governing body of St Joseph's.

It provides the opportunity to use your life/work skills and experience, for the benefit of the children in our school. Being a member of the governing body, helping to shape the education of the children in our community and support our excellent staff, is very rewarding. We currently have a few foundation governor vacancies on the governing board and would welcome enquiries, if you have some spare time, lots of enthusiasm and would like to support the youngest members of our local communities.

Previous experience is not necessary, as full training is given. The governor page of our school website provides more details about the role and also introduces the current governors, from which you will see that we have varied backgrounds: [Welcome to St Joseph's Catholic Primary School \(Nympsfield\) \(st-josephs-nympsfield.com\)](http://www.st-josephs-nympsfield.com). Due to the pandemic, we meet face to face or via Teams, depending on current local arrangements to protect our community.

Please contact our clerk, Roger Slater, [clerk@st-josephs.gloucs.sch.uk](mailto:clerk@st-josephs.gloucs.sch.uk) or enquire at the school office.

If you know of someone who may also be interested, please pass this letter on.

We look forward to hearing from you.

Kind regards

Gabriella Tiley  
Co-chair of governors
