Policy Statement for St Joseph's Pre-school

It is our intention to make St Joseph's Pre-school accessible to children and families from all sections of the local community and we aim to enable this through open, fair and clearly communicated procedures.

It is confirmed that the numbers and ages of children admitted to St Joseph's Pre-school comply with the legal space requirements set out in the Early Years Foundation Stage (EYFS)¹.

Information and accessibility

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible, in written and spoken form and, where appropriate, in more than one language. Where necessary, we will try to provide information in Braille, or through British Sign Language. We will provide translated written materials where language needs of families suggest this is required as well as access to an interpreter.
- We endeavour to keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including childminders.
- We describe our setting and its practices in terms of how it treats each child and their family, having regard to their needs arising from their gender, special educational needs, disabilities, social background, religion, ethnicity or from English being a newly acquired additional language.
- We describe our setting and its practices in terms of how it enables children and/or parents with disabilities to take part in the life of the setting.
- We monitor the gender and ethnic background of children joining the group to ensure that our intake is representative of social diversity.
- We make our Valuing Diversity and Promoting Equality Policy² is widely known.
- We consult with families about the opening times of the setting to ensure we accommodate a broad range of family need.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
- Children must attend a minimum of two sessions per week that equates to one full day or two individual sessions (e.g. 2 x morning sessions).

Admission criteria

We take the following matters into account when prioritising and deciding on admissions:

- availability of places, taking into account the staff to child ratios, the age of the child and any registration requirements;
- children who have siblings who are already with us;
- the vicinity of the home to the setting;
- when the application is received (extra weight is given to those who have been on the waiting list longest);
- the setting's ability to provide the facilities necessary for the welfare of the child, including appropriate staffing arrangements;
- a child requiring a full-time place may have preference over one requiring a part-time place. This is dependent upon work commitments, occupancy and room availability;
- any extenuating circumstances affecting the child's welfare or the welfare of his/her family.

In addition,

- we are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children; and
- children must attend a minimum of two sessions per week that equates to one full day or two individual sessions (e.g. 2 x morning sessions).

Providers eligible to offer government funded places for early years education

All settings registered to accept government funding must offer free places for 2 to 5 year olds in early learning sessions as specified by the local authority³. At St Joseph's Pre-school we currently provide free funded places available for children subject to availability.

Securing a place

Prior to a child attending St Joseph's Pre-school, parents/carers must complete all necessary paperwork⁴, and to secure the place, pay a deposit of £25 within 10 working days of confirmation of a place being offered for their child. This will be refunded in the first term of the child's attendance. If the monies are not received within this period then the place will not be held. In addition, in the event of a child not taking up their offered place, then the deposit will be retained⁵.
